

Love and Anarchy

A thousand thanks and bravos to everyone, from the smallest help given, to the weeks, months, years of voluntary work given to make this event possible.

We are all volunteers, no one in the organisation is paid.

Many thanks to all of you for your participation and support !

THANKS

We still need interpreters! If you'd like to help, please go to the volunteer desk at **Espace Noir**.

For other workshops, we invite you to self-manage the interpretation. Try to organise a small group with an interpreter. If you need help, call **+417987086642**.

Simultaneous interpretation will be provided for all events in the great hall in French, English, German, Italian, Spanish, Portuguese and Russian.

TRANSLATIONS

In a world that increasingly seems to be neutralising radical dissent - between repression, recuperation and control - we feel it is necessary to meet physically, as anarchists. So that we can collectively reflect on the issues that matter to us, and in particular the political and social developments of recent years and continue to deepen the critiques that emancipate us. To learn more about the concrete struggles that are taking place just about everywhere, as told by those who are leading them. And to build new hopes for the future. To forge strong links between different anti-authoritarian groups and individuals, to strengthen solidarity between struggles beyond borders. And to inspire new people to join it.

WELCOME TO SAINT-IMIER

VOLUNTEERS

The volunteer office will be open at Espace noir

8am to 6pm (Wednesday & Thursday),

8am to 2pm (Friday, Saturday & Sunday).

Each day there will be 2 coordination meetings at 9am & 1pm to inform about the teams' needs.

CHILD CARE FAMILY AREA

volunteers offer 2 childcare times a day for the duration of the

RlAs: from 1pm to 4pm and from 4pm to 7pm. The

welcoming of the children will take place during the first

half-hour (from 1pm to 1.30pm and from 4pm to 4.30pm).

These areas will also be available for families to use on their

own, with games, books and a map area. The rooms are located

in the St Georges center.

CLEANING

As anarchists we want to share responsibility for the smooth

running of the event. This also means sharing tasks such as

cleaning up.

You'll be called on several times during the day to help clean

up. The bars in the vicinity will be closed during this time. To

make this task easier, please make sure you always clean up

after yourselves!

Cleaning products and equipment are available and their

location indicated. Please feel free to clean up between

cleaning sessions, and make everyone happy!

MAP

For wheelchair users, the pavements are high and the town

very steep, so we advise you to drive on the road.

A suggested route to link the various locations is shown in

yellow on the map

KITCHENS

Preparing meals and tidying up afterwards requires a lot of

volunteers! It's a participatory kitchen. You pay what you

want for the meals

EXHIBITION AT THE CCL

Open from 9am to 6pm every day

except Sunday from 9am to 12pm.

Please do not eat on these premises.

Anyone interested in buying a poster or artwork should

contact the person in charge on site (wearing a red armband).

FINANCES

The total budget for the event surpasses 200'000 CHF,

including 100'000 for the food, 85'000 for the bars.

For more detail, visit the website www.anarchy2023.org.

The idea of the event is to be self-financed. This means

most of the invoices will be paid after the festival with the

money generated by contributions and free-pricing. To

cover all the costs we depend on you. Any surplus money

will be donated to the Anarchist Defence Fund.

According to your ability chose sensible free prices, and if

others to pay less, ensuring cost recovery of the event.

Please show solidarity to cover the

costs of this event.
